breadfortheworld
& BREAD FOR THE WORLD INSTITUTE

With their generous gifts, the following individuals and families have provided leadership support that has enabled Bread for the World to win significant victories for hungry people. Tens of thousands of other Bread for the World members also contribute gifts, many through our Baker's Dozen monthly giving program. This faithful generosity makes it possible for Bread for the World to continue to grow and involve others in our collective Christian voice on behalf of hungry people. Thank you!
