

# Hunger is rising and children are at risk.

## It's time to act.

---

Hunger is not inevitable. It's a reflection of our priorities and policy choices. We can and must do better.

**WRITE YOUR**

**MEMBER OF CONGRESS**

to prioritize policies that  
eradicate child hunger.

In writing your letter today, you are joining with advocates across your region and the country in an Offering of Letters to advocate for the end of hunger. **Thank you.**
